

BSCB Safeguarding Champions

The BSCB has been developing a network of Safeguarding Champions to share good practice and then to disseminate learning around multi-agency child safeguarding within their own teams / organisations.

The Champions have either been nominated or they are the main safeguarding lead in their organisations. They are the key conduits of information – to and from the BSCB.

The BSCB runs Safeguarding Champion workshops three times a year to ensure the Champions are kept up to date with the work and findings from the Learning Hub, actions being progressed by the Quality and Effectiveness Board and national policy, research and learning.

If you would like to become a BSCB Safeguarding Champion, then please email bscb@bexley.gov.uk

Safeguarding Champion workshops – November 2017

The next BSCB Safeguarding Champion workshops are taking place on 1st, 6th and 8th November and invitations have now been sent out.

The theme of the November 2017 workshops will include items on:

- Coaching
