

Young People's Mental Health Conference **Sharing and improving what we do in Bexley**

Wednesday 29 November 2017, 9:30 – 3:30pm
Marriot Hotel, 1 Broadway, Bexleyheath, Kent, DA6 7JZ

Aims:

- To increase knowledge on adolescent mental health and emotional well-being, with a focus on early identification and prevention.
- To raise awareness of good practice, local resources, and local and national issues.

Programme:

The programme will include:

- Direct input from young people
- Speakers who will set out the local and national context and evidence on good practice
- A marketplace event for secondary schools, colleges and other services to showcase resources and materials used on young people's emotional and mental health.
- A theatre in education group performance

Target audience:

- Headteachers, Deputy Headteachers, Designated leads, PSHE/SRE leads, pastoral care teams from Bexley Secondary Schools and Colleges (2 places per school / college)
- School Governors
- Youth services, including Youth Offending
- Children's Social Care, including Youth Support
- Public Health
- Other health agencies, including CAMHS, ChEWS, primary care and sexual health workers
- Police
- Voluntary sector agencies
- Other council directorates, including Community Safety and Housing
