

# Brent Homelessness Mortality Reviews

Understanding the comprehensive process for addressing homeless mortality in our community

01

## Notification

Death is reported to the Housing Provider for a review to be initiated.

02

## Level 1 Review

The Housing Provider collects relevant information and identifies key learning before submitting the findings report form to the Brent Director of Housing.

03

## Level 2 Review

A. The Director convenes a multi-agency panel to analyse the death and identify significant themes for further action.

B.

04

## Reporting

The Director reports findings to the BSAB CRG to ensure ongoing learning and improvement, and consideration of a Care Act s44, if appropriate

05

## Continuous Improvement

The Director submits an annual report on learning outcomes from the homeless mortality reviews to the BSAB.
