

## E-Learning Courses

### Great news!

You can access safeguarding training courses on Me Learning's easy-to-use website – ideal as a refresher or as an induction for new staff and as a supplement to other types of learning.

These courses are aimed at professionals and volunteers who work or have contact with children, young people and their families and/or adults at risk.

Most courses take between 60 to 90 minutes to complete – but you can dip in and out multiple times and it will remember where you left off. You can log in at work or at home.

Successfully complete the simple quiz at the end of a course to gain your certificate, (you can have more than one go to try to get a higher score!). The best bit is these courses are available **FREE** to all within Bromley.
