

NWL CDR Summary eCDOP contacts and Rapid Response Contacts interim from 26.09.19

PLEASE NOTE: Please **telephone direct** even after hours or weekends to discuss a possible Rapid Response request first, including Joint Home Visits, and to agree the next steps. A discussion with the Paediatrician (certifying death) may be required and then with the Police. Anyone coming out from NWL CDR may go to the hospital or directly to the address. **The new NWL CDR Team will be recruited during Autumn 2019 and is not yet in place.**
